## **SECTION – II INVITATION FOR BIDS**

### **1.1 INTRODUCTION**

OCAC the Technical Directorate of E&IT Department, Government of Odisha invites responses (“Tenders”) to this Request for Proposals (“RFP”) from System Integration firms (“Bidders”) for Selection of System Integrator for Implementation of CCTV Surveillance System at different Police Stations throughout Odisha as described in this RFP, “Terms of Reference”.

Proposals must be received not later than time, date and venue mentioned in this tender. Proposals that are received late will not be considered in this procurement process.

Now Odisha Computer Application Centre (OCAC), Bhubaneswar on behalf of Odisha State Police Headquarter Cuttack, invites competitive bid proposals from interested bidders who have experience in Supply, Installation, Implementation & Maintenance of CCTV Surveillance System.

OCAC will award the contract to the successful bidder whose bid has been determined to be substantially responsive and has been determined as the Lowest Price bid (L1).

### **1.2. BACKGROUND**

Odisha Computer Application Centre (OCAC) on behalf of ODISHA POLICE STATE HEADQUARTERS CUTTACK, inviting proposals on TURNKEY BASIS from the reputed bidders towards Supply, Installation, Commissioning and Maintenance of CCTV Surveillance System at different Police Stations (593 Nos) throughout Odisha.

This RFP is issued by OCAC, which is the sole point of contact during selection process. The officer responsible for entire process is General Manager (Admin). The purpose of this RFP is to provide interested System Integrator (SI) / Bidders with information to enable them to prepare and submit a proposal for Supply, Installation, Commissioning & Maintenance of CCTV Surveillance System at different Police Stations (593 Nos) throughout Odisha. The selected bidder shall be responsible to provide on-site warranty and support for the first THREE years for all supplied items, in case any problem and later provide Annual Maintenance Support (AMC) for FOURTH & FIFTH years after completion of initial THREE years warranty period. The list of detailed Police Stations (593 Nos) is mentioned in **SECTION–VI** of this RFP. The minimum Bill of Quantity (BOQ) for one Police Station and Central Monitoring System (CMS) is mentioned below:

## 1. Scope of Work

Scope of work includes Supply, Installation; Commission & Maintenance of CCTV Surveillance System at different Police Station throughout Odisha. The selected bidder shall be responsible for execution of the following work.

- Site survey & feasibility is to be undertaken for identification of the actual places in Police Station premises where cameras are required to be installed.
- Supply of all the equipment's for implementation of CCTV Surveillance System with Video Management Software (VMS) and Central Management System (CMS) Complying to the Technical Specifications given in **SECTION-IV**.
- Procurement, Supply, Installation, Commission & Maintenance of the entire equipment of CCTV Surveillance System installed at different Police Station throughout Odisha.
- Supply any other items (like screws, clamps, fasteners, ties, anchors, supports, grounding strips, wires, termination kits etc.) required for installation of all the required items for smooth implementation of CCTV Surveillance System.
- Installation and commissioning of the Display System at each Police Station for monitoring of the CCTV footage.
- The System must be able to access and monitor the CCTV surveillance system through public/private network as per the requirement of the Odisha Police.
- The CCTV Surveillance System should be secured enough and ensure illegal access to the CCTV controller.
- The System should have a data management strategy for the storage of the captured video for historical, investigation and evidentiary purposes.
- Bidder should ensure provision of storage space for keeping the CCTV footage for a period of minimum 365 days in a Police Station.
- The System should be able to set system rules for deletion of archived recordings as per the policy provided by the Police Station time to time.
- The System should be able to digitally punch date and time with stamp on the recorded video.
- The selected bidder shall be responsible to provide on-site Warranty and Support for the first **THREE** years for all supplied items and later provide Annual Maintenance Support (AMC) for **FOURTH & FIFTH** years after completion of initial **THREE** years of Warranty Support Period.
- The warranty & maintenance support shall start from the date of Final Acceptance Test (FAT) of the all the Police Stations.
- At the time of equipment delivery, the selected bidder shall submit a certificate/undertaking from OEMs mentioning the fact that the equipment supplied are covered under on-site Warranty & Support for a period of **THREE** Years.

Place:  
Date:

Signature & Seal of the Bidder

- The selected bidder shall be responsible for providing end user training for each Police Station officials.
- Training for Police Station officials will be conducted at the District level in batches (All Police Stations under respective district in one batch)
- The bidder needs to submit the successful completion of training along with the attendance sheet of the participants and submit the same to Project in charge of Odisha State Police Headquarter Cuttack.
- The Bidder must ensure that the CCTV equipment and accessories supplied and delivered by them to each Police Station are in good condition. Each CCTV equipment and accessories shall be packed in a non-hazardous packing of appropriate size. If any defect is found pursuant to the post-supply test in respect of the supplied quantity of the CCTV equipment and accessories, the Bidder shall replace the rejected equipment and accessories for that particular Police Station with the new ones as per the instructions of Odisha State Police Headquarter Cuttack.
- The bidder is responsible to maintain documentation on the progress of the CCTV work and will have to update the same on regular basis to OCAC and Project in charge of Odisha State Police Headquarter Cuttack.
- The Bidder will also maintain a record of all the CCTV equipment installed under this project and submit a detailed up to date ASSET REPORT on regular intervals as and when asked by Odisha State Police Headquarter Cuttack.
- The bidder should provision, implement & maintain the Monitoring/Ticketing tool of their own and should capture all the incidents/complaints received related to supplied CCTV equipment and their operation from different Police Stations. The tool should have capable enough to generate reports on the numbers of complaints received & resolved. Reports generation should be on monthly, quarterly & yearly basis etc.
- The Bidder has to ensure that all the CCTV Equipment should be listed with the device identification numbers with proper Asset Tagging as per the respective Police Station code and should updated regularly.
- The Bidder shall ensure that the CCTV Equipment/Components being supplied by them will not be declared end of life cycle for a minimum of 36 months from the date of its acceptance by Odisha State Police Headquarter Cuttack. The supplied products will be supported by the Bidder for the duration of the contract period from the date of its acceptance. If any reason the support is withdrawn by the OEM for any reason (end of life cycle) whatsoever, the Bidder shall replace it with an equivalent or better substitute that is acceptable to Odisha State Police Headquarter Cuttack, without any additional cost.

## 1.1 Implementation of Central Monitoring System

The bidder should propose the Video Management Software (VMS) at each Superintendents of Police (SP) office for the monitoring of CCTV surveillance system installed at Police Station (PS). However, SP office under each district will monitor the CCTV footage of their Police Stations that falls under their District.

The Video Management Software (VMS) installed at each Superintendents of Police (SP) office for the monitoring of CCTV Surveillance system, further integrated with Central Management System (CMS) located at Police Headquarter Cuttack (DG office) so that the required CCTV footage can be seen from the Central Management System (CMS), Operator Desk. However, the entire end to end connectivity with requisite bandwidth from each Police Station to SP/DG office should come under the scope of the Odisha Police. The network connectivity shall be dedicated, secure and managed network to transmit real time images/footages from all cameras to the Central Management System (CMS).

The Selected Bidder shall setup a dedicated Central Management System (CMS) with minimum three (03) number of CCTV operators, at Odisha State Police Headquarter Cuttack, for day-to-day operation, management & support of each Police Station during Primary Working Hours (PWH) starting from 9.00 AM to 9.00 PM (Monday to Saturday) and Extended Working Hours (EWH) starting from 9.00 PM to 9.00 AM (Monday to Saturday, Sunday and all State Government Holidays). To setup Central Management System (CMS) Odisha State Police Headquarter Cuttack, shall provide a dedicated room with telephone line. The required work station with video wall display system for Central Management System (CMS) shall be arranged by the bidder. However, the monthly expenses of the telephone line at Central Management System (CMS) shall be born by Odisha State Police Headquarter Cuttack. The CMS shall include but not limited to the following: -

- a) The CCTV operator shall ensure continuous running of cameras and recording of video from all cameras at each Police Station. In case any Camera is down due to some problem, the same shall be got rectified as per SLA terms mentioned in this RFP.
- b) Receive/attend calls made by end users at Police Station, regarding any query or issue related to CCTV System.
- c) Coordination for resolution of reported issues within the time frame as per the SLA.
- d) Generation of reports, such as camera uptime availability, critical events, etc.
- e) The CCTV operator shall escalate the problem to the Project in charge of Odisha State Police Headquarter Cuttack, on case-to-case basis and maintain the log/status of the complaint in the call log register.

A certificate from the bankers of the company should also be submitted in respect of financial capability.
- v. The Bidder should have valid ISO 9001 & 27001 Certification.
- vi. The bidder has to submit the tender specific valid authorization certificate(s) from the Original Equipment Manufacturers (OEMs) for the entire product which is mentioned in Technical Specification of the RFP. **(Section-IV)**
- vii. The bidder and his OEMs shall have adequate repair facilities for repair of faulty equipment in India. The number and location of repair facilities should be such as to meet the uptime and SLA. Both the bidder and his OEM should commit full professional services support and resources for the successful completion of the project. A documentary proof to the above effect signed by both the bidder and his OEM must be submitted along with the bid inclusive of the following: -  
***“This is to confirming that the entire equipment being quoted for this project in the bid should not be declared as End of Sale / End of Support on the date of submission of the bid. Service/Support including spares, patches for the quoted products shall be available for the complete duration of the project or 5 years whichever is higher from the date submission of bid.”***
- viii. Proof of successful execution of similar nature of work in India during the last three Financial Years ending 31<sup>st</sup> march 2020 must be submitted.

The **“Similar Nature”** of the work shall mean project including supply, installation, implementation and maintenance of Surveillance System to any Government/Public Sector Enterprises/Autonomous units in India in last five years having the criteria mentioned below: -

Place:  
Date:

Signature & Seal of the Bidder

- A. One similar nature of work value not less than the amount equal to 80 % of the estimated cost. (i.e., ₹ 80 Cr)
- B. Two similar natures of works value not less than the amount equal to 60 % of the estimated cost. (i.e., ₹ 60 Cr)
- C. Three similar natures of works value not less than the amount equal to 40% of the estimated cost. (i.e., ₹ 40 Cr)

**Note: - Estimated cost of the work/job for this tender is approximate ₹ 100 Cr which includes total 593 numbers of Police Stations. On-going projects where client has given acceptance of equivalent or higher value asked for similar nature is also accepted.**

- ix. The bidder should not be under a declaration of ineligibility for corrupt and fraudulent practices issued by Government of India or any State Government/PSU in the country of India. A self-declaration certificate to this effect should be enclosed  
***Necessary supporting documents on fulfillment of eligibility criteria should be attached for authentication along with a signed copy of the tender document to indicate acceptance of all terms and conditions set forth in the tender. Organizations failing to provide complete information on any of the requirements are liable to be rejected.***
- x. Bid should be compliant to the Policy and Make in India makes shall be given preference as per Order 2017-Revision vide the **Department of Industrial Policy and Promotion (DIPP) Order No. P-45021/2/2017-PP(BE-II) dated 16th September,2020 or latest.** OEMs under make in India must submit Undertaking and supporting documents
- xi. Bidder shall ensure compliance to the Office Memorandum for insertion of Rule 144 (xi) in the General Finance Rules (GFR)-2017 bearing reference number F.No. 6/18/2019-PPD dated 23 July 2020 or latest, by the Public Procurement Division, Department of Expenditure, Ministry of Finance. Non- compliant bid(s) will be summarily rejected.

### **3. Cost of Tender Document**

Cost of Tender document will be ₹ 11,200/- (Rupees Eleven Thousand Two Hundred Only Inclusive of GST @ 12%). The tender document fee must be submitted before the Pre-Bid conference at OCAC office, failing which the bidder will neither be allowed to attend the pre-bid conference nor their queries, be entertained by OCAC.

The RFP document fee can also be transfer online through NEFT only to Union Bank of India, Account Number 149311100000195, IFSC ANDB0001493, Acharya Vihar Branch, Bhubaneswar, Account Name Odisha Computer Application Centre. In case of NEFT online transfer of RFP Document fee, the firm must mention the Firm Name, Amount Transfer with Transaction ID, Tender Enq. Number, GST No to the mail id mentioned in the RFP Clause No- 4 of this RFP.

**Place:**  
**Date:**

**Signature & Seal of the Bidder**

#### 4. Pre-Bid Conference / Meeting: -

The bidder or its official representative (not more than one representative per bidder) is invited to attend the pre-bid meeting. The objective of this meeting is to address the generic queries of the prospective bidders related to the RFP document.

Bidders are requested to submit their queries by e-mail (One Mail-ID Per Bidder is allowed to submit the query only), to **chandan.p@ocac.in**, **bibhuti.ojha@ocac.in** and mark a copy to **gm\_ocac@ocac.in** as per the format attached in **Annexure: G12**, in excel format on or before xx/06/2021 till 3.00 PM. Failure to submitted the queries in the asked format will result in rejection of queries. If same bidder submits the query in multiple mail ids, then the bidder's query will be rejected.

Only the bidders, who have deposited the tender document fee in shape of DD in favour of "Odisha Computer Application Centre (OCAC) Payable at Bhubaneswar", and online transfer through NEFT are allowed to attend/submit their pre-bid queries in the specified format. Such bidders can download the tender document from the website mentioned in this RFP and submit the queries as per the format given in the RFP document. Tendering authority shall respond to the queries of only those bidders who have deposited the tender document fee before the Pre-Bid Conference Date. The scan copy of the receipt of bid document fees should include Bidder's name and GST No and enclose in the Pre-bid Query. **However, in the event of the ongoing Pandemic there will be no physical meeting held at OCAC.**

As a result of discussions in the pre-bid conference, if modifications if any, in the tender document/specifications of goods are considered, then subsequent addendum/corrigendum will be published by OCAC. The corrigendum/addendum and the final bidding document will be placed on the websites.

***The tendering authority reserves the right not to respond to any/all queries raised or clarifications sought if, in their opinion and at their sole discretion, they consider that it would be inappropriate to do so or do not find any merit in it.***

#### 5. Submission of Proposals:

- a) The bidder is required to submit the bids General i.e. (Eligibility Criteria) and Technical bids in one sealed envelope and Financial bid in another separate sealed envelope which are, in turn, to be put in an outer sealed envelope clearly marked as "Selection of System Integrator for Supply, Installation and Maintenance of CCTV Surveillance System at different Police Station throughout Odisha". Financial bid of those bidders who qualify in General i.e. (Eligibility Criteria) and Technical Bid shall be opened. Consortium of bid is not allowed in this RFP.
- b) The outer envelope thus prepared shall also indicate clearly the name, address of the Company, Mobile Number /Telephone number, E-mail ID and Fax number of the bidder.

Place:  
Date:

Signature & Seal of the Bidder

- c) All the pages of the bid documents including RFP/Corrigendum must be sequentially numbered and must contain the list of contents with page numbers and Flag Marks. Any deficiency in the documentation may result in the rejection of the bid.
- d) The original bid shall be prepared in indelible ink. It shall contain no interlineations or overwriting, except as necessary to correct errors made by the bidder itself. Any such corrections must be initialled by the person (or persons) who sign(s) the tender paper.
- e) All pages of the bid shall be marked and stamped by the person who signs the bid.
- f) The bidder shall attach a content page to the bid document highlighting the page numbers/ Flag Marks where each document is available without which the bid will be rejected.
- g) **Due to ongoing COVID pandemic, there may not be physical meeting held at OCAC for opening of General, Technical and Commercial Bids. It is important to note that while submitting Bids in the outer envelope Mail ID and Mobile Number (with WhatsApp) of the Authorized person of the bidder should be written in bold letters so that in case of Opening of bids in virtual mode, the web link will be issued to the Mail ID mentioned in the outer envelope.**

#### 6. Time of completion of Project:

Procurement, Delivery, Installation & Integration of the work shall be completed within **12 weeks** from the date of issue of Purchase Order.

#### 7. Earnest Money Deposit (EMD):

- a) EMD is to be furnished by the bidder as mentioned below.

Sl.No.	Category Description	EMD Amount
1	Supply, Installation and Maintenance of CCTV Surveillance System at different Police Stations throughout Odisha.	₹ 1,00,000,00/- (Rupees One Crore Only)

- b) The EMD shall be only in the form of Demand Draft (DD)/Bank Guarantee (BG) in favour of **Odisha Computer Application Centre (OCAC)**, payable at Bhubaneswar drawn in any schedule bank. The validity of DD should be at least three months from the date of floating of tender.
- c) Bidder should write the organization name at the back side of the DD.
- d) The demand draft shall be submitted along with General bid envelope. Bids without EMD shall be rejected.
- e) If the EMD is in the form of Bank Guarantee (BG), then the Format for Bank Guarantee for Earnest Money Deposit is mentioned in **Annexure: G-9** of this RFP.
- f) The EMD shall be forfeited if a bidder withdraws its bid during the period of bid validity.

Place:  
Date:

**Signature & Seal of the Bidder**

- g) The EMD of unsuccessful bidders will be returned to them within a month of selection of vendors.
- h) In case of a successful bidder the EMD may be forfeited if the bidder fails to accept the Purchase Order.

## 8. Performance Bank Guarantee (PBG)

The bidder shall furnish a Performance Bank Guarantee (PBG) of 3% (Three Percent) of the total Contract Value excluding tax, on or before the signing of the subsequent contract, typically within 15 days from the notification of award, unless specified to the contrary (Performance Bank Guarantee). The Performance Guarantee should be valid for a period of 3 Years & 3 Months (39 months) and shall be kept valid till completion of the Project and Warranty period. The Bidder shall be responsible for extending the validity date and claim period of the Performance Guarantee as and when it is due on account of non-completion of the project and Warranty period. The PBG must be from the nationalized bank only in India. The format for the Performance Bank Guarantee is mentioned in **Annexure: G-11** of this RFP document. In case the successful Bidder fails to submit Performance Bank Guarantee within the time stipulated, the Purchaser may at its sole discretion cancel the letter of intent without giving any notice and encase the EMD furnished by the Bidder, in addition to any other right available to it under this RFP.

## 9. Payment Term

1. 40% of the payment will be made after successful delivery of equipment at respective Police Stations site. (Supporting Documents - Original Delivery Challan, Original Invoice & acknowledgement of confirmation of delivery from the Police Station)
2. 50% of the payment will be made after successful Installation, Integration & implementation of the project as per the scope of work & training. (Supporting Documents - Installation Certificate & training completion certificate from the respective Police Station/SP/DG office)
3. Balance 10% of the Contract Value will be released on Quarterly Basis i.e., in **12 Quarters** during the Warranty Support Period. (Supporting Documents - On submission of Manpower attendance sheet deployed at each district level and at Central Monitoring location (DG office) with seal and signature of the bidder after the end of respective quarter with the reports on the numbers of complaints received & resolved)

## 10. Offer Validity Period

The tender offer must be valid for a minimum period of **180 days**. Any offer falling short of the validity period is liable for rejection.

Place:  
Date:

**Signature & Seal of the Bidder**

## 11. Service Level Standards & Support

The prime objective of the service levels is to ensure high quality of services from the selected bidder. The service levels defined below indicate the target level of services required, measurements parameter with penalties.

Sl. No.	Measurement Parameter	Service Level	Penalty
1	Time to resolve complaints after lodging the complaint	Within next 48 hours of lodging the complaint	No Penalty
		> 48 Hours of lodging the complaint	A penalty of Rs. 200 for every day, subject to maximum 10% of the cost of the equipment.
2	Absence of Video Recording	100% (365 x 24 hours) Excluding power cut duration	A penalty of Rs. 500/- per day per camera shall be levied in case of continuous absence of Video Recording for 24 hours, subject to maximum 10% of the cost of the equipment.
3	Availability of CCTV Operator at Central Management System (CMS)	CCTV Operator should be available from Monday to Saturdays from 9.00 AM to 9.00 PM.	A penalty of Rs. 500/- per day of absence shall be levied in case of absence of CCTV Operator for one day.
4	Availability of CCTV Field Support Engineer at each district headquarter	CCTV Field Support Engineer should be available from Monday to Saturdays from 10.00 AM to 6.00 PM.	A penalty of Rs. 200/- per day of absence shall be levied in case of absence of CCTV Operator for one day

**Note: -**

- a) If the call is not resolved and the value of penalty for any supplied item reaches value of the item, a NOTICE shall be issued. If two such notices are issued during a year for any item or if tendering authority feels that Selected Bidder is not performing as per requirement, then tendering authority may terminate the contract and forfeit the remaining payable amount along with the Performance security deposit.
- b) Maximum applicable penalty shall not exceed 5% of the total contract value. If the penalty exceeds maximum applicable penalty, Odisha State Police Headquarter Cuttack at its discretion may terminate the contract and forfeit the remaining payable amount along with the Performance security deposit.

## 12. Rejection

Before acceptance of the items if the equipment supplied by the vendor is found defective in materials or workmanship or otherwise not in conformity with the requirements of the contract, the purchaser shall have the right to either reject or to request in writing for rectification of the defects. Then the vendor shall with utmost diligence, at his own expense, make good the defects so specified or replace the defective equipment if the vendor fails to do so, the purchaser either.

- i) May at its option to replace or rectify such defective equipment and charge to the vendor the excess cost incurred by the purchaser plus 15% (Fifteen percent) extra as administrative charges.

OR

- ii) Terminate the contract for default. Further, in the event, the vendor is not able to rectify or replace the faulty equipment within reasonable time, the decision of the Odisha Computer Application Centre, Bhubaneswar shall be final.

## 13. Delay in Completion of the Project

The time schedule for completion of the project as mentioned in Clause-5 above is very important and the bidder must take utmost care to complete the delivery and installation within scheduled time. If the work is delayed for any reason for which Odisha State Police Headquarter Cuttack is not responsible, a penalty @0.5% of the cost of the purchase order will be charged to the bidder for a delay of one week or part thereof, subject to maximum 5% of the cost of the purchase order.

The purchaser reserves the right to cancel the order if it is not executed within the prescribed completion time and forfeit the entire EMD amount. Delay in supply / installation / Commissioning in the part of the supplier for materials/equipment shall be treated as delay in the delivery/ installation of the goods. The purchaser reserves the right to cancel the order in full or in part. In the event of such cancellation, the purchaser shall have the right to collect penalty from the performance bank guarantee. However, for valid reasons (like any unavoidable situation at the client site) duly notified in advance and considered by the purchaser, revised delivery schedule may be accepted at the sole discretion of the purchaser.

## 14. Force Majeure Condition

If the execution of the contract/supply order is delayed beyond the period stipulated in the supply order as result of outbreak of hostilities, declaration of an embargo or blockade of fire, flood, acts of God, then Odisha State Police Headquarter Cuttack, may allow such additional time by extending the project execution timeframe as considered to be justified by the circumstances of the case and its decision will be final. If additional time is granted by

Place:  
Date:

the Odisha State Police Headquarter Cuttack, the supply order shall be read and understood as if it had contained from its inception the execution date as extended.

#### 15. OEM Criteria CCTV Camera

- ✓ CCTV OEM should have ISO 9001 & 27001 Certifications and should have service centre in India.
- ✓ MAC address of Camera should be registered in the name of OEM supplying Cameras.
- ✓ CCTV OEM should have direct presence in India from last ten years (not as joint venture, partnership firms or through any other association) & manufacturing in India since last Five years and Foreign CCTV OEM should have manufacturing unit globally from last 10 Years. Documentary evidence should be submitted.
- ✓ CCTV Camera should support ONVIF (Profile S, G, Q & T), Model should be listed on ONVIF website or ONVIF Report should be submitted. No OEM should be banned or suspended by ONVIF within the last five years from the date of publishing the bid.
- ✓ OEM should not be blacklisted or barred by any Ministry of Government of India or any of the Government / PSUs or any other government department at the time of bidding.

#### 16. OEM Criteria Video Management Software (VMS)

- ✓ The offered Video Management Software (VMS) Application should be an open-end platform & should support various third party ONVIF IP Cameras, so that the same VMS Applications would be scaled-up in future by adding any of the OEM Make IP Camera & additional software licenses. A declaration letter from the VMS OEM shall be submitted with a confirmation that the offered “VMS Application can support various THIRD-PARTY IP Cameras integration of different OEMs & include minimum TEN OEMs names with Make & Model name, in the declaration letter which are already integrated with the offered VMS Application as on date of release of the RFP”.
- ✓ The offered VMS Software should be ONVIF S, G, Q & T Profile Compliant. The Declaration of ONVIF S, G, Q & T Profile shall be available on ONVIF official Website [www.onvif.org](http://www.onvif.org)
- ✓ The Video Management Software (VMS) Application OEM shall have a direct Registered office in India without any Collaboration, Joint Venture, Distributor, Parent Company & should be in Operational for the Last 10 Years as on the Last Date of Bid Submission.
- ✓ The offered Video Management Software should be certified by Cert-In Empanelled Agency for Application Security Audit.
- ✓ The Video Management Software (VMS) Application OEM should have the Following Certificates:

Place:  
Date:

Signature & Seal of the Bidder

- A. ISO 9001:2015 - Quality Management Certifications
- B. 27001:2013 - Information Security Management Systems
- C. CMMI Level-3 or Higher (possess a valid CMMi Institute (erstwhile SEI) recognized certificate )

## **17. Insurance of Equipment**

The materials to be supplied should be insured by the bidder on behalf of the purchaser from his warehouse to the installation site. The insurance coverage should cover the transport of materials by Rail/Road to the destination and till handing over the same to the client after successful installation. The materials/equipment found lost or damaged in transit or during installation and commissioning should be immediately replaced to avoid delay in commissioning of the equipment.

Note: - In case of theft/burglary/fire or any physical damage, the bidder will have to provide replacement of the equipment with same or higher configuration within 30 working days from the date of Non-Tracing Report (NTR) received from concerned local police authority. In case of non-repairable equipment, the bidder will have to provide the replacement of the equipment with same or higher configuration within 30 working days from the logging of issue and identifying the equipment as non-repairable.

## **18. Installation Supervision and Services**

The bidder shall deploy field support engineer in each DISTRICT having domain knowledge in CCTV Surveillance System during delivery, installation, implementation & support of the CCTV equipment supplied at each Police Stations throughout the Project Contract Period. The bidder will have to appoint Project Manager/Project Coordinator for day-to-day management & monitoring of the CCTV implementation at site and will be responsible for providing status report to Odisha Computer Application Centre (OCAC) / Project in charge of Odisha State Police Headquarter Cuttack on Weekly/Monthly/Quarterly basis.

The list of CCTV field engineers Name, Mobile No & Email ID, in each DISTRICT should be submitted by the bidder in his bid documents. If any bidder does not have CCTV field support engineers during the submission of the bid, then the bidder shall submit an undertaking for deployment of CCTV Field Support Engineer at each DISTRICT within FIFTEEN (15) DAYS of the award of the contract.

## **19. Replacement**

If the material/ equipment or any portion thereof gets damaged or lost during the transit and installation, the bidder shall affect the replacement of such materials/ equipment within

**Place:**  
**Date:**

**Signature & Seal of the Bidder**

a reasonable agreed time or **15 days whichever is earlier** to avoid delay in commissioning the equipment.

## **20. Purchaser's Procurement Rights**

Without incurring any liability, whatsoever to the affected bidder or bidders, the Purchaser reserves the right to:

- i) Amend, modify, or cancel this tender and to reject any or all proposals without assigning any reason.
- ii) Change any of the scheduled dates stated in this tender.
- iii) Reject proposals that fail to meet the tender requirements.
- iv) Should the Purchaser be unsuccessful in negotiating a contract if required with the selected bidder, the Purchaser will begin contract negotiations with the next best value bidder in order to serve the best interest.
- v) Make typographical correction or correct computational errors to proposals
- vi) Request bidders to clarify their proposal.

## **21. Inspections**

- i) Project in charge of Odisha State Police Headquarter Cuttack/representatives of Odisha Computer Application Centre (OCAC) shall have the right to make inspection during the execution of work at the site.
- ii) The items of supply/installation shall be verified by the authorized representatives of Odisha State Police Headquarter Cuttack, during final inspection and the bills shall be submitted by the bidder after such inspection.

## **22. Other Instructions**

- a) The bidder must organize the bid in accordance with the format specified in the tender document.
- b) The tenders not submitted in the prescribed format or incomplete after due date in any sense are liable to be rejected.
- c) OCAC is not responsible for non-receipt of tenders within the specified date and time due to any reason including postal delay or holidays.
- d) The rates should be valid for a minimum period of 180 days.
- e) All taxes would be paid on actuals as per applicable laws.
- f) OCAC reserves the right to accept or reject any bid without assigning any reason thereof and OCAC decision in this regard will be treated as final.
- g) OCAC reserves right to cancel the Purchase Order in the event of one or more of the following situations: -
  - a. Delay in delivery and installation beyond the specified period for delivery.

**Place:**  
**Date:**

**Signature & Seal of the Bidder**

- b. Major discrepancy in hardware & other components noticed during any stage of the project
- h) OCAC reserves the right to ask for any type technical clarification and make technical presentation / proof of concept (POC) before the technical committee members failing which it may leads to CANCEL the bid.
- i) OCAC reserves the right to verify the equipment's as per the specifications asked in the RFP.
- j) Un-signed & un-stamped bid shall not be accepted.
- k) Undertaking for subsequent submission of any of the document asked in the tender will not be entertained under any circumstances. However, OCAC reserves the right to seek fresh set of documents or seek clarifications on the already /submitted documents.
- l) Upon verification, evaluation / assessment, if in case any information furnished by the bidder is found to be false/incorrect, their total bid shall be summarily rejected and no correspondence on the same, shall be entertained.
- m) No deviations from tender terms and conditions will be accepted. Any violation thereof will lead to the rejection of the bid.
- n) OCAC will not be responsible for any misinterpretation or wrong assumption by the vendor.
- o) OCAC/ Odisha State Police Headquarter, reserves the right to alter / increase / decrease the quantity of items, as the case may be, to meet the requirements at any point of time.
- p) OCAC is not responsible for non-receipt of tenders within the specified date and time due to any reason including postal delay or holidays.
- i) Over-writing/over-typing or erasing of the figures are not allowed and shall render the tender invalid.

### 23. Detailed Evaluation

Initial Proposal scrutiny will be held to confirm that Proposals do not suffer from the infirmities detailed below. Proposals will be treated as non-responsive, if a Proposal is found to have been:

- Submitted in manner not conforming with the manner specified in the RFP document
- Submitted without appropriate EMD as prescribed herein
- Received without the Letter of Authorization
- Containing subjective/incomplete information
- Submitted without the documents requested in the checklist
- Non-compliant with any of the clauses stipulated in the RFP
- Having lesser than the prescribed validity period.

The EMD of all non-responsive bids shall be returned to the bidders. All responsive Bids will be considered for further processing as below:

Place:  
Date:

Signature & Seal of the Bidder

- i. OCAC will prepare a list of responsive bidders, who comply with all the Terms and Conditions of the Tender. All eligible bids will be considered for further evaluation by the Committee according to the evaluation process defined in this RFP document. The decision of the Committee will be final in this regard.
- ii. Only the bids considered to be substantially responsive shall be considered for detailed evaluation.
- iii. The Evaluation Committee will carry out a detailed evaluation of the proposals, only those who qualify in Eligibility Criteria, in order to determine whether the technical aspects are in accordance with the requirements set forth in the RFP Documents. In order to reach such a determination, the Evaluation Committee will examine and verify the technical aspect of the proposals on the basis of information provided by the bidder.
- iv. Least Cost Selection (LCS) i.e., L1 method shall be used to select the bidder.
- v. The evaluation of the tender will be made on the basis of least cost for the entire range of product (sum of all quoted prices inclusive of taxes). In case there is any discrepancy between unit price & total price, the unit price will prevail.
- vi. The purchaser shall evaluate each bid in detail in respect of Eligibility Criteria, Technical specifications & Price quoted by the bidder.
- vii. The purchaser reserves the right to evaluate each item either by basic configuration or by combining with one or more of the options asked. Purchaser's decision in this matter shall be final and binding.
- viii. The purchaser reserves the right to negotiate prices during evaluation if found necessary.

#### **24. Jurisdiction of High Court of Odisha**

Suites, if any arising out of the contract shall be filed by either party in a court of Law to which the jurisdiction of the High Court of Odisha extends.

#### **25. Right to Reject/Accept the Tender**

The purchaser reserves the right either to reject or accept any or all tenders. The purchaser has exclusive right to alter the quantities of materials at the time of placing the final purchase order. After placing the purchase order, the purchaser may order to defer the delivery of the material. It may be clearly understood by the tenderer that the purchaser need not assign any reason for the above action.

#### **26. Final Authority**

Place:  
Date:

**Signature & Seal of the Bidder**

The final authority for payments will be the consignee except otherwise specifically stated and if the vendor/supplier desires to appeal against any matter he shall appeal to Odisha State Police Headquarters, Buxi Bazaar, Cuttack, Odisha 753001, whose decision on such matters shall be final and conclusive.

## **27. Dispute Resolution**

Any dispute or difference, whatsoever, arising between the parties to this agreement arising out of or in relation to this agreement shall be amicably resolved by the Parties through mutual consultation, in good faith and using their best endeavours. Parties, on mutual consent, may refer a dispute to a competent individual or body or institution or a committee of experts appointed by Odisha State Police Headquarter for such purpose and abide by the decisions thereon.

On non-settlement of the dispute, same shall be referred to the Commissioner-cum-Secretary to Government, IT department, and Government of Odisha for his decision and the same shall be binding on all parties, unless either party makes a reference to arbitration proceedings, within sixty days of such decision.

Such arbitration shall be governed in all respects by the provision of the Arbitration and Conciliation Act, 1996 or later and the rules framed there under and any statutory modification or re-enactment thereof. The arbitration proceeding shall be held in Bhubaneswar, Odisha.

## **28. Rescind/ Closure of the contract**

1. Penalty @ 20% will be charged on the balanced not executed work.

## **29. Exit Management**

- a) The bidder shall submit a systematic Exit Management Plan, Six (6) months prior to the end of the contract period.
- b) The Exit Management Plan should be discussed with Project in charge of Odisha State Police Headquarter /OCAC and finalized prior to its execution.
- c) In case of termination, the Exit Management Plan will be executed within the minimum period to transfer the knowledge till the next successor has been selected to operate the Contact Centre without affecting its services.
- d) The bidder needs to submit the following deliverables as part of the Exit Management Process.
  - Exit Management Plan
  - Updated Status of the Project with entire equipment details.
  - Knowledge transfer and handover/takeover of documents and other relevant materials between the outgoing and the new bidder.

## Technical Specification for Police Station

<b>1. Technical Specification for 2MP IP Bullet Camera</b>		
<b>Make:</b>	<b>Model Name:</b>	
<b>Description</b>		<b>Compliance (Yes/No)</b>
<b>CAMERA</b>		
1. Imaging Device	1/ 3" progressive scan CMOS or better	
2. Resolution	1920 x 1080 (Full HD) or better	
3. Max. Frame rate	Minimum 25 fps or better at all resolutions or better.	
4. In built IR Viewable Length	50 meter or more	
5. Min. Illumination		
i) Colour	0.01 Lux or better	
<b>ELECTRICAL SPECIFICATIONS</b>		
1 Input Voltage	To be operated from 220 V AC UPS supply using suitable power adaptor as per camera input voltage specification, and PoE/PoE+	
<b>LENS</b>		
1. LENS	3.5 - 9.8 mm or Better	
2. Focal Control	Autofocus / Manual / One shot	
3. Drive Type	Auto iris / P- iris	
<b>OPERATIONAL SPECIFICATION</b>		
1. Day & Night	Auto (ICR), Colour, B/W	
2. Backlight Compensation	On/Off/Automatic BLC	
3. Digital Noise Reduction	SNR 50-60 or better	
4. Wide Dynamic Range	120 dB or Better	
5. Motion Detection	Off / On	
6. Privacy Masking	On/Off	
7. Gain Control	AGC, Fixed	
8. White Balance	ATW/AWC/Manual/Indoor/Outdoor/Sodium	
9. Video Analytics	Tampering, Motion Detection, Intrusion Detection	
10. Alarm Triggers	Motion detection, Network Disconnection, Storage disruption	

**Place:**  
**Date:**

**Signature & Seal of the Bidder**

11. Alarm Events	-File Upload via FTP, E-Mail, Notification via E-Mail, TCP	
12. Edge Storage	Support for micro-SD/SDHC/SDXC (Minimum 128 GB supported)	
13. Video Compression	H.265+/ H265/H.264	
14. Audio In	Camera should be equipped with built-in microphone	
15. Audio Compression Format	Should support latest Audio compression formats	
<b>NETWORK PROTOCOL</b>		
1. Ethernet	RJ-45 (10/100Base-T)	
2. Streaming	Multiple Streaming	
3. IP	IPv4 or better	
4. Network Protocol	Should support all standard protocols	
5. Security	Password protection, IP address filtering, HTTPS (SSL) login authentication, Digest login authentication, User access log, 802.1 x authentications	
6. Streaming Method	Unicast, Multicast	
8. ONVIF Conformation	ONVIF Profile-S, Profile-G, Profile-Q, Profile-T Model should be listed on ONVIF website or ONVIF Report should be submitted.	
9. Web Viewer		
i. Supported OS	latest Windows / Mac OS	
ii. Supported Browser	Latest version of Microsoft Internet Explorer available with Win 10 or latest win O.S., Firefox, Chrome, Safari	
<b>ENVIRONMENTAL SPECIFICATIONS</b>		
1. Operating Temperature	-10°C ~ +50°C	
2. Operating Humidity	Up to 90% RH (non-condensing)	
3. Environmental protection	IP 66 or Better	
4. Vandal Protection	IK 10, IEC 62262:2002, IS 9000-7-7:2006	
<b>CERTIFICATIONS</b>		
1. UL/BIS Listed	Mandatory

Playback	Simultaneous playback of 16 channel	
Search Mode	Time/Date, Alarm, MD & Exact search (accurate to second), Smart search	
Playback Function	Play, Pause, Stop, Rewind, Fast play, Slow play, Next file, Previous file, Next camera, Previous camera, Full screen, Repeat, Shuffle, Backup selection, Digital zoom	
Backup Mode	USB Device/Network/Internal SATA burner/eSATA Device	
<b>7.Network</b>		
Interface	2 RJ-45 ports (10/100/1000Mbps)	
Ethernet Port	2 Ethernet ports joint working or 2 independent 1000Mbps Ethernet ports	
Network Function	HTTP, TCP/IP, IPv4/IPv6, UPnP, RTSP, UDP, SMTP, NTP, DHCP, DNS, IP Filter, PPPoE, DDNS, FTP, Alarm Server, IP Search	
Smart Phone	Android, ios	
ONVIF Conformation	ONVIF Profile-S, Profile-G Model should be listed on ONVIF website or ONVIF Report should be submitted.	
<b>8.Storage</b>		
Internal/External HDD	If sufficient Internal storage is not available then external storage device should be provided. Storage space calculation to be based on the below parameters. 1. Resolution - 1080p 2. Frames – 20 fps 3. Video compression- H.264/H.265/H.265+ 4. Duration of storage – 12 months for 20 cameras  In the event of failure of connectivity to the Camera, the camera shall record video locally on the SD card automatically. After the connectivity is restored, these recordings shall be automatically merged with the NVR such that no manual intervention is required to transfer the SD card-based recordings to NVR.	
RAID	RAID 0,1,5,6,10 with Hot Swappable HDD	
<b>9. Auxiliary Interface</b>		
USB	2 USB ports	
Ports	Minimum 2 x gigabit network ports	

Place:  
Date:

### Technical Specification for Central Monitoring System

Technical Specification - Video Management Software (VMS)	Compliance (Yes/No)
<b>Make:</b>	<b>Model Name:</b>
<p><b>Recordings Features:</b></p> <ul style="list-style-type: none"> <li>• Should record H265, H.264, MPEG4 or MJPEG in at minimum 5 fps to 30 FPS at minimum CIF to Full HD (1080p).</li> <li>• Supports RTP over UDP, RTP over TCP and http streaming</li> <li>• Should support multiple brand IP cameras and encoders.</li> <li>• Should support dual streaming and recording at different qualities of videos.</li> <li>• Option to do recordings on NAS, iSCSi, DAS, local or network drive. Defining different drive for each individual camera.</li> <li>• Should have ability record audio along with video in same recording file.</li> <li>• Option to define multiple recording paths</li> <li>• Pre-buffer and Post buffer recordings up to 10 minutes.</li> <li>• Calculate storage size based on number of cameras, days and drives available in the system</li> <li>• Option to record at low frame(I-frame) and high frame rate on Motion</li> <li>• Export the desired portion of video in mp4, avi and asf formats in DVD/USB or any external device. Viewing of this recording must be playable on authorized player which shall be provided by software manufacturer or in media player on OS Windows, Linux/Unix or Apple Mac.</li> <li>• Export recording possible in client and remote PC also with proper authentication.</li> <li>• Option for Window-Pop up, Email, Sound alarm, Phone call, SMS on recording/ video loss or any event.</li> <li>• Storage and Bandwidth calculation: Recoding size estimation for each hard disk attached to the server. Option to check disk size of individual camera.</li> <li>• Image Enhancement on recorded videos. The image enhancement should be able enhance videos of fog, rain and low light conditions.</li> <li>• The option of email and SMS Video Pop up on Low disk space event. The system should alert user on low disk space event.</li> </ul>	

Place:  
Date:

Signature & Seal of the Bidder

- Automatic archiving after set number of days and automatic recording deletion after disk full.
- Edge Recording Synchronization: VMS Server and Camera should sync recordings in case of network or other communication failure between camera and VMS.
- Encryption: Ability to encrypt video while exporting. Options of 56-bit, 128 bit and 256-bit encryption
- Export of videos Synopsis based on events in a particular time period
- Export of Signed video using public/private key

**Live, Playback & Zoom Features:**

- Live View possible for minimum 64 cameras simultaneously on 1 screen or multiple monitors using software video wall.
- Configurable Matrix views with size and number of cameras. Pre-defined views from full screen, 1x1 to 8x8.
- View sequencing with user driven time interval.
- Dual Streaming and Automatic Switching from Low to High Quality on Full screen mode.
- Option to change Live View directly from cameras or from VMS server using RTSP and HTTP options
- It should support live view and Playback from minimum 10 clients- Both local and remote
- It should support event-based playback.
- Ability to search based on Date/Time/Camera, Name, ID and Location for more than one camera simultaneously.
- Customized camera views based on:
  - User input number of cameras.
  - User chosen shape and size.
- Digital Zoom:
  - Both complete live picture and Zoomed picture should be visible simultaneously while zooming.
  - Should be available On Live and Playback Videos.
  - Zoom available on snapshots too.
- Software should allow creation of multiple camera sequences. It should be possible to set the dwell time for the cameras within the sequence.
- Software should allow sequences control (pause/play, skip forwards, skip backwards).
- Live view and Playback available at the same time with Playback window on top of live view window.
- Instant Playbacks available as window pop up on click of an event from Event Screen.
- Event window with specific snapshot of that event should be shown simultaneously in Live view screen. Clicking on the event should play recording of that event time.

Place:  
Date:

Signature & Seal of the Bidder

- Image Enhancement available in Playback. Option to sharpen the video image through scrollbar.
- Playback Navigation Tree View with Recording server, camera list, year/months list and the date wise play list.
- Playback option for frame-by-frame
- Playback should have Video lock feature.
- Option of Common Timeline for syncing of multiple cameras while playback.
- Ability to make bookmark of any portion of video and view list of all bookmarks
- Instant Playback and Quick Search of event-based recordings.
- Event based search: Event based Time line to quickly show coloured dots in Timeline and view recorded videos at the event time.
- Playlist with files listed for each date. User can click on a date to play recordings.
- E-map client should show icon blink and voice alert of the event. Should be able to take snapshots from Google Map if connected to internet.
- Two-way audio communication between camera and VMS. Option to send/broadcast Audio to multiple cameras

**Mobile Surveillance & Remote Viewing Features:**

- Ability to view live video on iOS and Android phones or devices with or without installing proprietary Apps.
- Control on Mobile App and Remote Locations
- VMS and Mobile App support for multiple sites spread across WAN to be controlled and viewed from central location.
- Remote Administration over internet.

**Streaming Features:**

- Option for RTSP, HTTP, RTSP over HTTP streaming or both simultaneously at individual camera level.
- Authentication parameters (username, password) for streaming to remote clients.

**Administration & Failover Features:**

- Automatic discovery of devices using UPnP and/or ONVIF
- No software limit on number of cameras supported in single recording server
- Add all cameras with single click. Apply settings to multiple cameras of same model with single click.
- Generate logs & reports in Graphical & Tabular form and export in pdf, excel or more format
- Failover- Automatic switch of user selected cameras to back-up server in case of failure.
- Automatic Health check-up and activation of optimization modules once CPU reached more than 85%.
- Add multiple recording servers under same management server.

**Subject: - Selection of System Integrator for Supply, Installation and Maintenance CCTV Surveillance System at different Police Station throughout Odisha.**

Sir,

We, the undersigned, offer to provide the service Selection of System Integrator for Supply, Installation and Maintenance of CCTV Surveillance System at different Police Station throughout Odisha, as per RFP Enquire No.: XXX-XXX-XXX, Date-XX-XX-2021 and our Proposal (Technical and Financial Proposals). Our attached Financial Proposal is for the sum of <<Amount in words and figures>> exclusive of taxes and duties.

1) PRICE AND VALIDITY

All the prices mentioned in our Tender are in accordance with the terms as specified in the RFP documents. All the prices and other terms and conditions of this Bid are valid for a period of THREE (03) years from the date of opening of the Bid.

We hereby confirm that our prices do not include any taxes and duties.

We understand that the actual payment would be made as per the existing tax rates during the time of payment.

2) UNIT RATES

We have indicated in the relevant forms enclosed, the unit rates for the purpose of on account of payment as well as for price adjustment in case of any increase to / decrease from the scope of work under the contract.

3) TENDER PRICING

We further confirm that the prices stated in our bid are in accordance with your clauses in RFP/Tender document.

**Place:**  
**Date:**

**Signature & Seal of the Bidder**

4) QUALIFYING DATA

We confirm having submitted the information as required by you in your RFP. In case you require any other further information/ documentary proof in this regard before/during evaluation of our Tender, we agree to furnish the same in time to your satisfaction.

5) BID PRICE

We declare that our Bid Price is for the entire scope of the work as specified in the <Refer Section No.>. These prices are indicated Commercial Bid attached with our Tender as part of the Tender. In case there is substantial difference between the component wise price approved by OCAC and the price quoted by the bidder, OCAC will have the rights to ask the bidder to realign their cost without impacting the total bid price. We hereby agree to submit our offer accordingly.

6) PERFORMANCE BANK GUARANTEE

We hereby declare that in case the contract is awarded to us, we shall submit the Performance Bank Guarantee as specified in the Clause-7 of this RFP document.

Our Financial Proposal shall be binding upon us subject to the modifications resulting from Contract negotiations, up to expiration of the validity period of the Proposal, i.e., [Date].

We understand you are not bound to accept any Proposal you receive.

We hereby declare that our Tender is made in good faith, without collusion or fraud and the information contained in the Tender is true and correct to the best of our knowledge and belief.

We understand that our Tender is binding on us and that you are not bound to accept a Tender you receive.

Thanking you,
